LD 511

I'm an Auburn resident and I urge the Transportation Committee to vote in support of LD 511. An interim trail from Portland to Auburn would improve public health, protect the environment, connect to public transit, and provide options for people who don't drive, or simply want to drive less. It'd also enable users to recreate safely in nature. The trail would truly be a tremendous asset to the state of Maine. Please vote "ought to pass."
