Portland  
LD 511

I live in Portland and I wish to strongly encourage the transportation committee to vote in support of LD511. This interim trail would do so much good in so many ways for so many of our citizens. Indeed, by reducing car traffic and therefore air pollution, this bill could benefit EVERY Mainer. Please vote "Ought to Pass" and know you have taken a positive step. I thank each of you for your invaluable public service.
