LD 511

Hello,

I live in Biddeford, and I urge the Transportation Committee to vote in support of LD 511. An interim trail from Portland to Auburn would improve public health, protect the environment, connect to public transit, and provide options for people who don't drive, or simply want to drive less. I am the Trail Manager for the Eastern Trail from South Portland to Kittery and I see first hand how trails improve the quality of life of our citizens as well as those who visit Maine.

Please vote "ought to pass."
