To Members of the Joint Standing Committee on Energy, Utilities and Technology  
Regarding L.D. 450, An Act to Lower Electricity Costs by Repealing the Laws  
Governing Net Energy Billing  
February 27, 2025

I support L.D. 450, An Act to Lower Electricity Costs by Repealing the Laws  
Governing Net Energy Billing. Net Energy Billing is a hidden tax to subsidize solar  
and wind energy. I don't use it so why should I pay for it. Often times I say taxation is  
theft, Net Energy Billing is a good example of how I come to this conclusion. We the  
people of Maine are being robbed. Again, I support L.D. 450 and it ought to pass.

Thank you.
