Westbrook
LD 511

I live in Westbrook and work in Lewiston. I love to ride my bike and am always looking for ways to drive less. I know many who are in a similar situation. I urge the Transportation Committee to vote in support of LD 511. An interim trail from Portland to Auburn would improve public health, protect the environment, connect to public transit, and provide options for people who don't drive, or simply want to drive less. Please vote "ought to pass." Thank you for your time and consideration.
