LD 419

I ask you to please vote OUGHT TO PASS on LD 419. An Act to Increase Transparency and Accountability of the Maine Information and Analysis Center. It would seem to be obvious to me that transparency and accountability are absolutely imperative to making good decisions. I find it amazing that we need a bill such as this one to bring it into the light for all to see, who care. I care. I want all the monies paid by our taxpayers to be used to the utmost benefit of the entire state. We all need to hold the multitude of bureaucracy accountable for doing just that. So, I ask you to do the correct thing and vote OUGHT TO PASS on LD419. Thank you for your service to our state.
