Topsham Trail Riders
LD 29

I am writing in support of LD29 this would be a safe place for all people to enjoy atvs snowmobilers horse back riders even hustle joggers no one would get hurt a safe environment for everyone it would be like the downcast trail. Safe for everyone this trail would benefit the state of maine by bringing in more revenue, people coming to visit would have a place to ride. Thank you I strongly urge you to pass the LD29
