North Yarmouth  
LD 511

I live in North Yarmouth, and my office is in Yarmouth, I am an abutter of the proposed Portland to Auburn interim trail in both locations. I urge the Transportation Committee to vote in support of LD 511. This interim trail would improve public health, protect the environment, connect to public transportation, and provide options for people who can't drive, or simply want to drive less. It would also be a wonderful recreational resource. Please vote "ought to pass."
