LD 511

Senate Co-chair Dangle
House Co-chair Crafts
Members of the Transportation Committee

As a Yarmouth resident, I enthusiastically support LD511. Please support the RUAC recommendation to create an interim trail on this unused rail corridor and make me the happiest 80 year old in Maine.

Happy to share all my reasons supporting this, but you have a lot to read and hours of listening to testimony. Happy to share a coffee and chat.
