LD 537

To the members of the Joint Standing Committee on Judiciary,

I am submitting testimony in SUPPORT for LD537

The recent actions of Representative Libby, in sharing personally-identifying information about a transgender student athlete should be cause for serious concern and a call to action to protect youth from these dangerous and politically motivated attacks from a state lawmaker. Transgender children are vulnerable to dangerous bullying and violence and making them a national target is disgraceful. Please support LD 537 to protect against lawmakers who would endanger children for political gains.

Thank you for your consideration,
Elizabeth Hayes, resident of Mercer
