LD 29

John Bursley. Bowdoinham and I am writing in support of a Multi Use Trail of LD 29 - Part 2 Horses, Walking, Bicycle, ATV, and Off Road Motor Cycle. In the Winter Snow Mobile, Dog Sledding, and Cross Country Skiing. My family with our grandkids enjoys mountain biking and riding ATV to enjoy mother nature. The benefits to the community would shopping at the local business while on the trail. Outdoor clubs could create events utilizing the trail to support a charity in their community.

When I talked about Topsham Trailriders in Part 1 about maintaining the trail it would be taking care of downed trees, trimming the tree branches overhanging the trail and checking for hazards that need to be fixed.

I would like to thank the committee members for their support and urge them to vote "Ought to Pass" as a Multi Use Trail on LD 29.
