westbrook
LD 511

I live in Westbrook, and I urge the Transportation Committee to vote in support of LD 511. An interim trail from Portland to Auburn would improve public health, protect the environment, connect to public transit, and provide options for people who don't drive, or simply want to drive less. Please vote "ought to pass."

Mainers want to be outside. This trail will further enable that goal and help them be healthy and active.
