LD 537

Honorable Members of the Judiciary Committee,
I write in support of LD 537: An Act to Prohibit the Doxing of a Minor and to
Authorize a Related Civil Action.

No one should have the right to post images of another without consent, especially if
such an act puts the doxed individual at risk, and especially if the target of doxing is
a child.

Please support this bill,
Respectfully submitted,
Valy Steverlynck
