

Benjamin Whatley  
Whatley Farm  
LD 29

My family and I run a farm close to where the Merrymeeting Trail would cross the Cathance Road in Topsham, and we believe the trail would be an asset to our town and good for business. Previous trail projects in our neighborhood, such as the Cathance River Trail at Head of Tide Park, have brought more visitors to the area and complimented our retail greenhouse business. We urge you to support LD 29.
