

Marie Camillo Reimensnyder  
New Gloucester  
LD 511

I live in New Gloucester, and I urge the Transportation Committee to vote in support of LD 511. An interim trail from Portland to Auburn would improve public health, protect the environment, reduce emissions, and provide options for people who don't drive, or simply want to drive less. The proposed trail would connect to multiple bus routes and other public transportation, supporting an integrated transportation network in Maine. Please vote "ought to pass."
