

Joe Adams
Topsham
LD 29

My name is Joe Adams, and I reside in Topsham, Maine. I am writing to express my wholehearted support for LD29, the proposed rail trail project.

This trail would be a tremendous asset to our community for several reasons:

Health & Recreation: The trail will provide a valuable space for outdoor exercise and recreation, allowing families like mine to enjoy afternoon strolls and invigorating bike rides.

Safety for Children: The trail offers a safer route for children to walk or bike to school, avoiding the dangers of Rt 24.

Cycling Safety: As an avid cyclist and a concerned resident, I appreciate the need for safe biking paths. This trail would provide a secure environment, reducing the risk of life threatening accidents like one of my friends recently experienced.

Community Engagement: The trail will serve as a vibrant area for community interaction and engagement, fostering stronger bonds among neighbors.

Thank you for considering the development of this trail. I strongly urge you to vote in favor of LD29, as it will significantly enhance the quality of life for our residents.

Sincerely, Joe Adams
