

Rachel Stansberry  
Bowdoinham  
LD 29

My name is Rachel Stansberry and I live in Bowdoinham. I am writing to support LD 29. I am the primary caregiver for my grandson and I believe the Merrymeeting Trail would be a great place to safely walk everyday. It is challenging to find places to walk that have enough of a shoulder for a stroller. Thank you for service to Maine and I urge you to vote ought to pass for LD 29.
