

Josh Olins
Freeport
LD 511

"I ride my bike from Freeport to Falmouth almost every day to commute to work. I live in Freeport, and I urge the Transportation Committee to vote in support of LD 511. An interim trail from Portland to Auburn would improve public health, protect the environment, connect to public transit, and provide options for people who don't drive, or simply want to drive less. Please vote "ought to pass."
