

Birch Adams
Portland
LD 511

Hi! I live in Portland but work most of the time in Oxford. I urge the Transportation Committee to vote in support of LD 511. I grew up in CT and grew up riding my bike to many different towns safely on rail trails. They are an amazing space for folks to ride bikes, walk, be in nature and make great use of the old trail lines for public enjoyment. The trail from Portland to Auburn would improve public health, protect the environment, connect to public transit, and provide options for people who don't drive, or simply want to drive less. Please vote "ought to pass"
