Falmouth
LD 511

I live in Falmouth, and I urge the Transportation Committee to vote in support of LD 511. The trail from Portland to Auburn would be a terrific way to connect the two cities, and explore everything in between! I would love to use it often. An interim trail from Portland to Auburn would improve public health, protect the environment, connect to public transit, and provide options for people who don't drive, or simply want to drive less. Please vote "ought to pass."
