

Colleen Bursley  
Bowdoinham  
LD 29

My name is Colleen Bursley and I live in Bowdoinham and I urge the Transportation Committee to vote in favor of modifying the current language within LD 29 to expand the users to include equestrian, ATV, snowmobile, cyclist, pedestrians, dog mushers, dirt bikes, and cross-country skiers. An interim trail from Brunswick to Gardiner would improve public health, protect the environment, create recreational opportunities, and provide options for people who don't drive, or simply want to drive less. In conclusion, I would advocate for the language within LD 29 to be expanded to include all of the groups listed above. I would like to thank the committee members and urge them to vote "Ought to Pass " as a True Multi Use trail on LD 29
