

Susan Karbiner
Georgetown
LD 283

LD 283 would likely reduce tourism marketing and would directly impact my rental bookings, which are a significant part of my income. In 2023, tourists spent \$9 billion, driving a \$16 billion economic impact; strong marketing supports the entire economy, Tourism went down in 2024. This is NOT the time to create further impediments to this industry, which is so important to the economy of Maine.
