

## **Net Energy bills LD 32\_257\_359\_450\_515 testimony**

**LD 32 An Act to Repeal the Laws Regarding Net Energy Billing**

**LD 257 An Act to Eliminate the Practice of Net Energy Billing**

**LD 359 An Act to Prohibit Net Energy Billing by Certain Customers**

**LD 450 An Act to Lower Electricity Costs by Repealing the Laws  
Governing Net Energy Billing**

**LD 515 An Act to Reverse Recent Changes Made to the Law  
Governing Net Energy Billing and Distributed Generation**

I agree that the rules governing Net Energy Billing require change.

The rooftop solar panels I and my family members have installed since 2021 were installed by Maine Solar, a Maine-based installation company. I personally benefit from Net Energy Billing. Even so, I do not believe that rooftop solar owners should benefit from anything except for energy generation offsets. We should all pay the other-than-generation costs just like all other rate-payers.
