Gorham
LD 511

"I live in Gorham, Maine, and I urge the Transportation Committee to vote in support of LD 511. An interim trail from Portland to Auburn would improve public health, protect the environment, connect to public transit, and provide options for people who don't drive, or simply want to drive less. It will also increase summer and tourism for these cities as Maine is a destination for outdoor activity. Please vote "ought to pass."
