LD 511

I live in South Auburn and I strongly urge the Transportation Committee to vote in support of LD 511. An interim trail from Portland to Auburn would improve public health, protect the environment, connect to public transit, and provide options for people who don't drive, or simply want to drive less. Additionally, it will encourage in state and out of state recreationists to utilize this trail network, undoubtedly bringing some economic growth to area businesses. Please vote "ought to pass."
