

Theresa Sol  
Livermore  
LD 498

I am neither for nor against LD 498, "Resolve to Improve Standards for Animal Rescue Entities."

The issues this bill intends to address are not only relevant to animal rescue operations, but also occur with breeding and sport dog kennels.

As a result, any changes to the rules that apply to licensed animal shelters, should also be extended to all licensed kennels (breeding, boarding, sporting dog)

Thank you,  
Theresa Sol
