LD 511

I live in Portland, ME, and I urge the Transportation Committee to vote in support of LD 511. An interim trail from Portland to Auburn would improve public health, protect the environment, connect to public transit, and provide options for people who don't drive, or simply want to drive less. I bike to commute and do get around whenever possible, and we are in dire need of safe routes to the north and west of Portland. Please vote "ought to pass."
