

Sarah Tinker  
Bowdoinham  
LD 29

I am Sarah Tinker of 445 River Road in Bowdoinham ME. Our property abuts the proposed trail and we are fully in support of LD 29! We can't wait to use the trail to ride our bikes to and from the farmer's market in Bowdoinham and, someday, all the way to get ice cream or breakfast in Richmond! We love to walk, hike, bike, ski and run and would cherish this trail. We plan to volunteer to support maintenance and care of the trail and look forward to sharing this resource with our neighbors.
