Gardiner
LD 29

I am Jacob Waltman. I live in Gardiner, Maine and I'm writing in support of LD 29. I'm very excited about the prospects of Merrymeeting trail I find a thought of walking along the river Southwood in the direction that goes with the wind provide me with great joy. I'd like to thank the committee members for taking the time to review this and I would urge them to vote in favor of LD 29. Thank you
