CAPE ELIZABETH
LD 537

Dear Maine Legislatures,

I am writing to express my support for LD 537 - An Act to Prohibit the Doxing of a Minor and to Authorize a Related Civil Action. As a concerned constituent and high school educator, I believe it is crucial that we take strong steps to protect minors from the harmful and often traumatic effects of doxing.

By prohibiting the act of doxing minors and providing a civil remedy for those affected, this bill helps to ensure that young people are better protected from malicious and harmful online actions.

I believe this bill will empower families, schools, and communities to safeguard the well-being of minors, and it sends a strong message that actions that endanger the safety and mental health of young people will not be tolerated.

Maine is known for its safe communities, and the protections provided by this bill will help to create a wider zone of safety.

I urge you to support LD 537 and work toward its passage to create a safer environment for minors online.

Thank you for your time and consideration.
