

Chelsey Berlin
Eastern Trail Alliance
LD 511

I am the executive director of the Eastern Trail Alliance. I urge the Transportation Committee to vote in support of LD 511. An interim trail from Portland to Auburn would improve public health, protect the environment, connect to public transit, and provide options for people who don't drive, or simply want to drive less. This would be an incredible asset to Maine for locals and visitors alike! Please vote "ought to pass."
