LD 511

Good Legislators of the Transportation Committee : I am a RN in Newcastle, and urge the Transportation Committee to vote in support of LD 511. My husband and I have biked and hiked much of ME and in Italy and Canada. An active transportation trail from Portland to Auburn would improve public health, protect the environment, connect to public transit, and provide safe options for people who don't drive, or want to drive less. Please vote "ought to pass."
