

Ayres Stockly
Cumberland
LD 511

I live in the town of Cumberland, and I urge the Transportation Committee to vote in support of LD 511. An interim trail from Portland to Auburn would improve public health, protect the environment, connect to public transit, and provide options for people who don't drive, or simply want to drive less. It would also provide a place to bike without cars and trucks whizzing by within a few feet. Please, let's make some positive changes, vote "ought to pass."
