

SEUNGHO LEE
ORONO
LD 471

Dear Representatives ,

“My name is SEUNGHO “Greg” LEE and I am writing to share my support for LD 471.”

“I’m from South Korea, a country known for its strong passion for learning. We start learning English in elementary school, but many people don’t have the chance to use it in real life—only reading and listening. As a result, they struggle with speaking, and so do I. That’s why I came to America to break through my English limitations by joining an Intensive English Program. This is how young and smart people come to Maine. I’d like to live in Maine too!!”

“I know first-hand how difficult it can be to gain the language skills needed to be successful in a new home. Please support this bill as it will benefit so many people and the State of Maine”

Thank you for your attention,
SEUNGHO "Greg" LEE
