

Aaron Sienkiewicz  
Augusta  
LD 29

Hello, my name is Aaron Sienkiewicz and I'm a resident of Augusta. I'm writing in support of LD 29. I support the Merrymeeting Trail because of the benefits it brings me and my family and my community. The ability to easily walk and bike between towns in Maine will be invaluable. I urge the committee members to unanimously vote "Ought to Pass" on LD 29.
