Senator Carney, Representative Kuhn and Honorable Members
of the Joint Standing Committee Judiciary,

Thank you for receiving my testimony and for addressing this
important issue. I am writing in support of LD 260.

It is my impression that the hard-won rights of women, even some
thing as sacred in our democracy as the suffrage, are under
attack by some extremists. And their influence appears to be
growing. So, the enactment of this legislation is not just important
to protect the rights of women in Maine, but it is a statement to the
nation that in Maine no one's freedom is abridged.

Thank you for the opportunity to testify and to share my
perspective with the committee. I urge you to vote "Ought to
Pass" on LD 260.

Sincerely, Gary Vencill
