

Kate Wallace
Bowdoinham
LD 29

My name is Kate Wallace and I live in Bowdoinham with my husband and two young children. We regularly travel to Brunswick/Topsham/Bath/Richmond/Gardiner to visit the library and playground, buy groceries, dine out, attend appointments and classes, and visit family. Our son is just learning to ride his bike. I am confident that we would make use of a trail along the Lower Road corridor multiple times per week. We would get exercise, save gasoline and learn about the geography of our area from a new vantage point. I thank the committee for considering this opportunity. I hope you will vote "Ought to Pass" on LD 29.
