I support LD 492 "RESOLUTION, Proposing an Amendment to the Constitution of Maine to Provide for Parental Rights." Please vote "ought to pass."

Any Nay vote will show your support and agreement for Maine government and her bureaucrat departments to take away the God-given rights and duties of a parent over their child, and place greater importance on that of the State. Let's stamp these God-given inalienable rights of family into our Maine constitution so they will no longer be in danger of being further infringed upon.
