Bowdoinham
LD 29

Hi there, my name is Hannah Burroughs and I live in Bowdoinham, Maine. I'm writing today in support of LD 29. I believe that the Merrymeeting Trail would get so many of our community members outside, active, and social. As the mom of two teenaged sons who aren't yet old enough to drive, I also appreciate the fact that the trail would provide a safe place for young people to bike and meet up. It would truly make our towns healthier, from the youngest to the oldest members! Our family loves using the trails extending from Gardiner to Augusta; connecting the existing system to our own area would be fantastic.

Thank you for taking the time to read my testimony. Please vote "ought to pass" on LD 29!
