LD 260

Dear Senator Carney, Representative Kuhn and Honorable Members of the Joint Standing Committee Judiciary:

Thank you for the opportunity to address the committee. My name is Lisa Zeimer and I live in Cape Elizabeth, 04107.

I am submitting this written testimony in support of LD 260.

If passed, this bill will ensure the fundamental freedoms and human rights of all Maine Citizens. This bill will protect the rights of girls and women like me. I am very fortunate to have grown up in the era of Roe v. Wade which gave me the right to make choices about my body and the reproductive care I needed. My children and grandchildren deserve the same freedoms as I had: the right to make a decisions about their lives and futures without the intrusion of others making that decision for them. LD 260 would protect their ability and autonomy to make vital life decisions for themselves.

There are many urgent issues facing the citizens of Maine and the Nation right now. Passing LD 260 would protect Mainers and make sure basic human rights are preserved.

Thank you for this opportunity to share my perspective with the Committee. I urge you to vote "Ought to Pass" on LD260. Thank you!

Sincerely,
Lisa Zeimer
