Testimony of Leah Hurley of Cumberland, ME before the 132st Legislature's Joint Standing Committee on Agriculture, Conservation and Forestry

Dear members of the Joint Standing Committee on Agriculture, Conservation, and Forestry.

My name is Leah Hurley, I am a resident of Cumberland, and I am here today as a shopper and community member to express my support of LD 468 – An Act to Address Food Insecurity by Helping Maine Residents Access Locally Produced Food. I believe this legislation is needed and important because it helps address food insecurity with dignity and choice, while at the same time supporting our local food systems and keeping more EBT dollars in the local economy.
