Testimony of [NAME HERE] of [TOWN NAME HERE] before the 132st
Legislature's Joint Standing Committee on Agriculture, Conservation and Forestry

Dear members of the Joint Standing Committee on Agriculture, Conservation, and
Forestry.

My name is Marie Taft, I am a resident of Ludow Maine, and I am here today as a
previous market/snap booth organizer/worker, shopper and on the board for Houlton
Community Market, to express my support of LD 468 – An Act to Address Food
Insecurity by Helping Maine Residents Access Locally Produced Food. This funding,
for snap (and other food programs)is critical to the farmers and community here in
northern Maine.
