Testimony of Olivia Nicol] of Hollis before the 132st Legislature's Joint Standing Committee on Agriculture, Conservation and Forestry

Dear members of the Joint Standing Committee on Agriculture, Conservation, and Forestry.

My name is Olivia], I am a resident of Hollis, and I am here today as a shopper to express my support of LD 468 – An Act to Address Food Insecurity by Helping Maine Residents Access Locally Produced Food.

I want all Maine citizens to be able to buy healthy foods and I want Maine farmers to be supported through these purchases.
