Testimony of Sara Freshley of Portland before the 132st Legislature's Joint Standing Committee on Agriculture, Conservation and Forestry

Dear members of the Joint Standing Committee on Agriculture, Conservation, and Forestry.

My name is Sara, I am a resident of Portland and I am writing here as a farmers market shopper to express my support of LD 468 – An Act to Address Food Insecurity by Helping Maine Residents Access Locally Produced Food.

Let's keep food that we grow here in Maine, in Maine! This is a win-win situation for Mainers.

Thank you for your consideration,
Sara
