Testimony of Liz Scharnetzki of Portland before the 132st Legislature's Joint Standing Committee on Agriculture, Conservation and Forestry

Dear members of the Joint Standing Committee on Agriculture, Conservation, and Forestry,

My name is Liz Scharnetzki, I am a resident of Portland, and I would like to express my support of LD 468 – An Act to Address Food Insecurity by Helping Maine Residents Access Locally Produced Food.

Maine Harvest Bucks helps to boost small business viability and rural economies. Continued funding for Maine Harvest Bucks ensures sustainability of local Maine farmers and food producers and promotes greater food security for our communities.
