Testimony of Claire Pronnicki of Waterville, ME before the 132st Legislature's Joint Standing Committee on Agriculture, Conservation and Forestry

Dear members of the Joint Standing Committee on Agriculture, Conservation, and Forestry.

My name is Claire Pronnicki, I am a resident of Waterville, Maine, and I am here today as a long-time farmer's market shopper to express my support of LD 468 – An Act to Address Food Insecurity by Helping Maine Residents Access Locally Produced Food. I want to support local farmers, and get food that is fresh and wholesome. Although I can afford it now, there was a period in my life when I couldn't, and I know many people are in that situation now.
