Testimony of [NAME HERE] of [TOWN NAME HERE] before the 132st
Legislature's Joint Standing Committee on Agriculture, Conservation and Forestry

Dear members of the Joint Standing Committee on Agriculture, Conservation, and
Forestry.

My name is Gwen Moss, I am a resident of Starks , and I am here today as a [Farmer?
Shopper? Market organizer? – As a shopper I would like to express my support of LD
468 – An Act to Address Food Insecurity by Helping Maine Residents Access Locally
Produced Food.

Without this program outcomes for many of the most vulnerable in Maine will only
decline further. A Government has a duty to support those whom it represents and
anything less than full support of expansion of this program is an abuse of the role of
Government.
