

Joel St Clair  
Port Clyde  
LD 266

I support LD 266.

Fair elections are a crucial part of our electoral process. Voter I.d should be required to ensure we don't have mass election fraud. I.d is required for many aspects of our daily lives, so it should be common sense that we require it when voting.

I support LD 266 whole heartedly.

Thank you,  
Joel St.Clair
