LD 266

I support LD 266, “An Act to Require the Updating of Voter Registration Signatures.”**

This is common-sense legislation that will help maintain accurate voter rolls in Maine. Voter data is constantly changing—people move, pass away, or change political affiliations. Given the concerns about election integrity in past elections, why would any government or municipality resist transparency?

Passing this bill will help restore confidence among registered voters that the individuals on our rolls are indeed supposed to be there.

I support LD 266, and it ought to pass.
