LD 911

I support LD 911 “An Act to Modify Ranked-choice Voting with Regard to Candidates Who Withdraw from an Election.”

This is common sense legislation. A vote for candidates that have withdrawn from the race and whose name remains on the ballot must not count as a legitimate choice, as is current practice. Move on to the highest-ranking choice for candidates still in the race. To count a vote for a candidate that has withdrawn is frankly, ridiculous and a wasted choice.

If we must live with this system, please clean it up.

Again, I support LD 911, and it “ought to pass.”
